**Sub:** Analysis of Insecticide Products at QCL Lab Lalmandi-providing of analysis manual by the companies registered with CIB and Registration Committee.  
**Ref:** Minutes of meeting held on 11.05.2019.

Agriculture Order No: 09 -Dev. of 2019

Dated: 11 - 05 - 2019

Whereas, various manufacturing/ marketing companies as usual apply for seeking license for import/ stock / sale of various kinds of insecticides in J&K State;

Whereas, after verification of the documents required under Insecticide Act 1968 and Insecticide Rule 1971 (as amended from time to time) the said companies are being permitted by the Plant Protection Officer Srinagar for running their applied trade;

Whereas, after stocking their products at approved sale point sampling by Law Enforcement agencies of this department and simultaneously analysis of the said samples is a pre-requisite as per the Insecticide Act;

Whereas, QCL as a regular feature conducts analysis of insecticide products but in case of some products approved by CIB and allowed by the notified Registration Authority analysis is either delayed or not done due to non-availability of analysis manual;

Whereas, in order to streamline the sampling process of products whatever registered under the Insecticide Act 1968 it was decided in a meeting held with related agencies of the department 11.05.2019 that it shall be made mandatory upon all the companies to furnish testing manual of the products whichever they apply for import / stock / sale in the limits of J&K State.

Now, therefore, companies intending import/ stock/ sale of insecticide products in the J&K State shall in addition to other required formalities provide **testing manual** for each product at the time of seeking permission for running their insecticide trade. The Plant Protection Officer, Kashmir shall make it a point before issuing permission and also provide a copy of this order to all the companies/ stakeholder for compliance.
